Our history

Dubbo District preschool kindergarten incorporated established Buninyong Preschool in 2010 to meet the needs of Buninyong Preschool children living in the local area who would attend Buninyong Public School. The Service has evolved from opening as 3 days a week Preschool to 5 days a week to meet the community needs.

What we believe at Buninyong Preschool:

- ***Wellbeing is paramount for everyone.*** Each and every child is an individual; a competent, capable and active learner with many strengths and emerging skills and their wellbeing is imperative to learning. Children need good health as well as social and emotional skills to thrive. We work with families to ensure all children have a strong sense of wellbeing with particular emphasis on developing secure attachments, self-regulation, good nutrition and skill development. The wellbeing of our families and staff are essential ingredients for a child to prosper.
- ***Relationships matter.*** A strong community is built on strong relationships. Our relationships with children, families, colleagues and the community are important to us. We value working together for better outcomes for children, staff and the preschool community as a whole. This belief leads us to support children in building respectful relationships.
- ***Play, play and more play.*** Play underpins our program and is the means through which children engage with the world around them. Children are intrinsically motivated to learn through play and we encourage and support children's play. Real learning happens for children in their play and the skills developed cannot be undervalued for the foundation they lay for each child's later academic learning. Challenging activities and risky play are encouraged as they build confidence and resilience and promote cooperation and peer collaboration to achieve success. Teaching children respect for tools and their appropriate use allows them to develop real skills.
- ***We are enriched by the diversity of our community.*** Our families and educators bring diversity of heritage, culture and traditions to our service. We invite all families to share their culture and traditions with us. Collaborating with families and the wider community is beneficial for all. Living on Wiradjuri land, we are continuing to build connections with the custodial owners of our land the Aboriginal and Torres Strait Islander community and value their knowledge and rich traditions.
- ***Environments stimulate learning, promote wellbeing and are respected.*** Learning spaces are filled with engaging, open ended materials and resources. There are places to create, imagine, problem solve and reflect. The social environment is scaffolded to support peers to learn and play together and provide opportunities for them to be fair, equitable and inclusive. All our physical environments are respected, which is important for both the present and future generations. We are continuously striving to teach the interdependence of all living things and how we as people impact the environment. This begins with caring for our own natural and man-made environments. Every small step is moving toward a better world for all.

What you might not know about Preschool?

We are a not-for-profit community based service run by a volunteer Management Committee. Our Preschool is funded by the Department of Education. We receive block funding to provide Early Childhood Education to children between the ages of 3 and 6. The fees parents pay are representative of the gap left between the funding received and running costs. Preschool is not affiliated with Centrelink's Childcare Subsidy (CCS). Our Preschool runs in line with the NSW school terms and children will take school holidays off. Children arrival time at earliest 8.30am and latest collection time is 3.50pm.

What we offer

Inclusive early childhood education based on current research and programs based on the needs of the children.

- Safe Series – supporting protective behaviours in children
- “Move It” program – a movement based sensory program designed by our occupational therapist.
- High educator to child ratio
- Educators also work with a local speech therapist to help us support children's communication.

Every year Preschool enrolls 40 children

- 20-25 places for 4-5 year olds
- 20 places for 3-4 year olds

How many days can my child come to Preschool?

We offer 3 day (Monday, Tuesday and Wednesday) for children in the 4-5 year old age group and 2 day (Thursday and Friday) classes for children in the 3-4 year old age group.

You cannot attend Preschool fulltime. Your child can only attend in one group per week. The structure is why we are unable to offer casual days to children or 'add' days.

Enrolments

To be eligible for Preschool your child must turn 3 prior to 31/01 in the year they attend.

Our waitlist is a live waitlist, your child must be 3 year old or turning 3 prior to 31st of January the following year. Applications are accepted right throughout the year, and can be completed via our website, any applications for children that do not meet these requirements will be rejected.

Waitlist applicants are contacted for enrolment from Term 3 in the year prior to attendance inviting families to complete

our online enrolment. At this time, you will need to provide documents e.g., birth certificate, up to date Medicare Immunisation Statement.

Preschool does not have a sibling policy and offers are made in order of placement on the waitlist. This allows the whole community to have an equal opportunity to access Preschool.

If your child is not offered a position initially, they will remain on the waitlist and may be offered a placement at a later time as we fill any remaining vacancies for the following year.

Re enrolments

Children already enrolled will be offered re enrolment for the following year.

Re-enrolments for the following year commence in Term 2 of the current year. All current students will be contacted and asked to indicate their intent to return to Preschool or their chosen Primary School.

On Arrival

Parents/Carers are to sign child into Preschool. Children are to place bags into lockers and water bottles into crates.

Your child must be **signed in and out** every day on the electronic sign in available in rooms. The people you have authorised on your child's enrolment form are the only people we will allow to sign your child in and out. You are able to change these details at any time to ensure your list is current. Simply log into Kinder M8, using your email address and password/number OR email changes to Each authorised contact will have their own unique PIN which is not to be used by anyone else.

We ask you to encourage your child to **wash their hands on arrival** at preschool and suggest you also may want them to wash their hands before leaving in the afternoon. This is to reduce the risk of cross contamination of germs, hopefully reducing illness.

We find a quick goodbye works best when dropping off. Say goodbye to your child, let them know you are leaving and then leave. You are welcome to call the preschool later that morning if your child is upset at drop off time to see how they settled.

What to Bring: (all labelled)

- Backpack (big enough to fit everything in)
- Healthy lunch
- An ice brick in summer (we don't have capacity to refrigerate everyone's lunchbox)
- Morning tea
- Water bottle
- A bucket hat or sun smart hat
- Wear sun smart clothes with sleeves
- Change of clothes

What to leave at home:

- Toys
- Thongs/slip on shoes
- Sweet biscuits
- Muesli bars
- Juice
- Chips
- Chocolate
- Lollies

You have a fussy eater? Worried about what to send in a lunchbox?

Please talk to your child's teachers, we want to work with you to encourage your child in healthy eating. Our Nutrition Policy is available on our website or check out the Munch and Move website:

<https://www.healthykids.nsw.gov.au/campaigns-programs/about-munch-move.aspx>

Preschool is an allergy aware service.

Please do not bring Peanut Butter/Nutella/nut products as we have children who are anaphylactic to nuts.

A cartoon illustration of a red tomato and an orange carrot. The tomato has a green stem and a small yellow bell. The carrot has a single leaf. Both characters have large, white eyes with black pupils and a wide, smiling mouth. They are positioned side-by-side against a light blue background.

**HEALTHY
SNACK IDEAS:** 

SNACKS BEST LEFT OUT OF THE LUNCHBOX:

- ✗ Muffins and cakes
- ✗ Sweet biscuits
- ✗ Savoury biscuits
- ✗ Muesli bars

- ✗ Fruit straps
- ✗ Chocolate
- ✗ Lollies
- ✗ Potato chips
- ✗ Corn chips
- ✗ Processed cheese & biscuits
- ✗ Soft drink
- ✗ Flavoured milk
- ✗ Fruit drinks

SWAP!

Outside Play

Every day, children play outside. Please send appropriate clothing in winter months.

Before outside play, children will apply sunscreen and pop on their sun safe hats. Clothes with sleeves that cover shoulders and upper arms are best. Buninyong Preschool will provide sunscreen but feel free to apply sunscreen before your child comes to preschool. We will reapply it when necessary. If your child has an allergy to sunscreen, please advise staff. Morning tea and lunches are often taken outside also, to be eaten in appropriate weather.

If you have any concerns or questions about the use of sunscreen please ask

Rest time

We recognise children's need to be able to relax and unwind and it is an important life skill to learn.

There is a rest time daily for children. This does not mean children must sleep (although it is ok to sleep if your child chooses to) just time to calm their bodies.

Chat to educators about your child's individual needs. Our Safe Sleep and Rest Policy is available to view by emailing admin@ddpreschool.com.au

What if my child is sick?

Preschool cannot cater for children that are unwell. Please keep your child at home until they are fully recovered. This also ensures that other children are protected too. Staying healthy is important to us.

Please notify the preschool of absence via the KinderM8 app or a phone call.

We remind our preschool community that all children, families and staff should *not attend* preschool if they are displaying *any* (even mild) cold or flu like symptoms.

Cough	✗	Runny Nose	✗	Fever 38° C or above	✗
Sore Throat	✗	Headache	✗	Fatigue/Lethargy	✗
Aches & Pains	✗	Diarrhoea/ Vomiting <i>*48 hr exclusion from last episode</i>	✗	Needed Panadol/Nurofen <i>If you have given Panadol or Nurofen in last 4 hours</i>	✗

What if my child needs medication?

If your child needs medication during preschool hours- please complete a Medication form on the Kinder M8 app to give consent for educators to administer the medication.

NB. Medication must be in original container with prescription label attached– child's name, dosage, Prescribing Doctor etc.

Over the counter medications, such as Panadol, will not be administered unless accompanied by a letter of authorisation from the Doctor and have specific directions for dosage

What if my child has a medical condition?

If your child needs medication during preschool hours- please complete a Medication form on the Kinder M8 App to give consent for educators to administer the medication. You will need to proof and sign this with an education once at Preschool.

NB. Medication must be in original container with prescription label attached– child's name, dosage, Prescribing Doctor etc.

Over the counter medications, such as Panadol, will not be administered unless accompanied by a letter of authorisation from the Doctor and have specific directions for dosage

Allied Health

We have good relationships with the Community Health Allied Health Team, Marathon Health and the Aboriginal Children's Therapy Team (ACCT) as well as Orana Early Childhood Early Intervention and many private providers.

We believe that working in collaboration with these professionals is in the best interests of children

Uniforms: (non-compulsory)

Buninyong Preschool has children's uniforms consisting of polo shirts, jackets, hoodies and bucket hats available to order.

- Bucket Hats \$15.00
- Hoodie Jumpers \$40.00
- Shirts \$25.00
- Artwork Shirt \$40.00

Staffing

We believe that quality education is through qualified educators, trained to understand and support the needs of young children and prepare them for school.

Therefore, the staff team consists of a university trained, early childhood teacher (team leader), and educators with a Diploma qualification or a Certificate III qualification in Early Childhood Education.

Our high staff ratio (which is above requirements) allows all children to receive more individualised attention.

Our educators are trained to make referrals to allied and other health professionals with your permission

Fees: How do I pay fees?

Fees may be paid by Direct debit, direct deposit, or our Admin officer for EFTPOS or cash payment.

Please keep fees two weeks in advance. You can make payments in accordance to your family budget. Whether this be weekly, fortnightly monthly or Term to Term. Each term fees must be paid up to date by the end of each term.

Statements will be emailed weekly on a Friday and a reminder during each School holidays.

If you are having difficulties with paying fees, please speak to Business Operations Manager to discuss options.

Sister School

Buninyong Preschool is a sister Preschool to Dubbo and District Preschool.

Dubbo and District Preschool established Buninyong Preschool in 2010 to cater for the needs of children within the local community who will attend Buninyong Public School. Staff work together across the two sites (Buninyong Preschool and Dubbo & District Preschool). Excursions between services are an added bonus.

Dubbo and District Preschool Management Committee

Since Dubbo and District Preschool is a not-for-profit incorporated association, the overall management of both Dubbo and District and Buninyong Preschools are vested in a management committee.

To become a member of the management committee members of both preschool communities are required to nominate prior to the annual general meeting (AGM) which is held in March of each year. Only members of the management committee attend the management committee meetings – non-members cannot attend. The Director, Assistant Director and Business Operations Manager also attend the meetings.

How many people are on the committee?

The committee consists of a minimum of 7 people. The executive generally consists of a president, vice-president, secretary, treasurer and general members.

What does the committee actually do?

Some of the responsibilities of the committee include: determining the preschool's strategic direction and defining its purpose.

Appointing, supporting and monitoring the performance of the director, assistant director and the business operations manager. Ensuring the ongoing financial viability of the preschool. Ensuring staff are employed in accordance with relevant industrial obligations. Providing a supportive and stimulating working environment for staff and enhancing the profile of the preschool in the community.

Interested in becoming a committee member?

FAQ's

- **I have no experience in the Early Childhood industry. What value would I add?**

You don't need to be involved in the early childhood industry to contribute to the committee! People who have a diverse range of skills, backgrounds and professions actually makes for a stronger committee. You will gain a lot of knowledge during your involvement in the committee and other committee members are always available to discuss particular issues with you.

Professions of recent committee members include teachers, health professionals, accountants, project managers, hairdressers, and real estate agents.

In the past five years committee members have used their skills to contribute to a range of activities to enhance the preschool, including the building expansion project, applying for funding grants, organising fundraising events, designing playground upgrades, organising a preschool uniform and assisting with recruitment.

- **I don't know how much time I need to commit?**

The committee meets one night a month. The agenda and reports are distributed prior to the meeting so that you can read through them in your own time and to reduce meeting time. Members of the executive and sub-committee members (eg. fundraising committee) may commit additional time out-of-session depending on particular issues and events that may arise.

- **I don't think I can regularly commit my time, but I would still like to be involved in the preschool**

We welcome any and all interaction! If you have particular skills or interests that you think the preschool could benefit from, please have a talk to our director. You might be able to assist with fundraising ideas, provide community connections, coordinate musical or artistic activities, organise excursions – the list is endless.
